# Volunteer!

November 27–December 30, 2009  
**900 VOLUNTEERS NEEDED!**

**900 Volunteers Needed**

The Grotto's Christmas Festival of Lights has brought the traditional meaning and true spirit of Christmas to nearly one million visitors since its inception in 1988. **In addition to presenting the story of Christ's birth, this unique festival also offers spectacular lighting displays and the largest Christmas choral festival in the world.**

The Grotto's presentation of this popular community celebration depends on the generosity of many hundreds of volunteers each year. Please give your gift of time and Christmas spirit by volunteering this year at The Grotto's Christmas Festival of Lights.

**Opening on Friday, November 27, and continuing through December 30,** the festival has volunteer positions suited for nearly all family members, young and old, as well as company groups and school, church, and community service groups.
